read, watch, stream or work. Weighing less than 3 pounds, the Nextbook Ares 10L is a compact and sleek tablet that you can take with you just about anywhere.

The Nextbook Ares 10L comes with the Android 5.0 operating system, 16GB of internal memory that can be expanded to 64GB with the microSD card slot, and an Intel® BayTrail-T CR quad-core processor to power your applications. With WiFi, Verizon 4G/LTE, USB and Bluetooth support built-in, the Nextbook Ares 10L can connect with everything you need at home and on-the-go.

Video chat or capture your favorite moments with the 2.0MP front webcam and 2.0MP back camera and integrated microphone. With a 3-axis G-sensor and a USB Keyboard, it allows you to immerse yourself into various games without constraints or boundaries.

Features

Touch-Screen Technology & Front/Rear Camera

The Nextbook Ares 10L features a touch-enabled surface for smooth operation, whether drawing or annotating with fingers or stylus devices. It also comes with a built-in front-facing and rear camera so moments can be captured without adjusting the tablet.
