## Play Hard

Nextbook Flexx 8 has an 8-inch screen and 16:10 aspect ratio which means you can watch HD content, whether streamed or connected from another device through the micro-HDMI port. The 3-axis G-sensor means playing video games is better, too.

## On-the-Go

At less than one pound, the lightweight and efficiently designed the Nextbook Flexx 8 can be taken with you anywhere at any time. The built-in WiFi and Bluetooth capability allows you to access the Internet easily and from just about anywhere. Use the micro-SD card slot to ensure that you never run out of memory, and know that your photos, video and more will always be there.
